Engineering Student in System & Network Architecture

Email : aymen.nadi@toulouse-inp.fr

Mobile : +33 7 74 74 27 24

Safi, Morocco / Toulouse, France

## EDUCATION

---

- **ENSEEIHT - Toulouse INP** Toulouse, France  
2025 – 2027  
*International Mobility - Engineering in System & Network Architecture*
- **ENSIAS - National School of Computer Science** Rabat, Morocco  
2023 – 2026  
*Engineering Degree in Cybersecurity*
- **Lycée Moulay Abdellah** Safi, Morocco  
2021 – 2023  
*Preparatory Classes for Engineering Schools (CPGE)*

## EXPERIENCE

---

- **OCP SAFI** Safi, Morocco  
Summer 2024  
*Cybersecurity Intern*
  - **Compliance Assessment:** Evaluated Business Continuity Plan (PCA) compliance with DNSSI framework
  - **Risk Analysis:** Analyzed governance components and operational security
  - **GRC Components:** Worked on Governance, Risk management, and Compliance processes

## PROJECTS

---

- **DevSecOps Pipeline with NIST Compliance:** Complete pipeline integrating GitHub Actions, Docker, Kubernetes (EKS) and EC2. Implemented security tools: CodeQL, Trivy, Checkov, KICS.
- **Web Attendance Management Application:** Laravel-based application with fingerprint authentication. Focus on secure data storage and privacy preservation.
- **Advanced Traffic Simulation (TIPE):** Implemented Intelligent Driver Model (IDM) in Python for traffic interaction simulation.

## CERTIFICATIONS

---

- **AWS Certified Solutions Architect** 2025
- **Cisco Certified Network Associate (CCNA)** 2025
- **Web Penetration Tester Path - HackTheBox** 2025

## TECHNICAL SKILLS

---

- **Security Tools:** Trivy, CodeQL, Checkov, KICS, Grafana
- **Cloud & DevOps:** Docker, Kubernetes, AWS EC2, CloudFormation, Terraform, Ansible, GitHub Actions
- **Programming:** Python, C, Java, JavaScript, SQL, PLSQL
- **Frameworks:** Laravel, JEE, HTML/CSS
- **Security Domains:** GRC, Application Security, DevSecOps, Compliance Automation, IaC Security

## LANGUAGES

---

- **Arabic:** Native
- **French:** Fluent
- **English:** Professional
- **Spanish:** Intermediate

## ADDITIONAL INFORMATION

---

- **Interests:** Cybersecurity, Cloud Architecture, DevSecOps, Network Security
- **Professional Goal:** Cloud Security Architect specializing in secure cloud infrastructures
- **International Experience:** Double degree program between Morocco and France
